December 2024

Hello all,

Here we are in December again with another year done & dusted. I hope the weather gods have been kind to you during your harvest season!

Q Fever

One of our regular customers recently informed us that some of their herd had tested positive for Q Fever. We really appreciated the heads up from our customer and we ensured that all staff were given the opportunity to be vaccinated against Q Fever, with most choosing to get the jab.

While doing our research into Q Fever we realised that Q Fever can be transferred from job sites back to the workplace or home on work boots & clothes, and it is strongly recommended that dirty work clothes are only handled by those who have already had Q Fever or are vaccinated against Q Fever. Because of this, we ask that you please make us aware if your herd has tested positive to Q Fever so our staff can take the appropriate precautions.

Spare Parts over the Christmas period

Christmas is just around the corner, so once again it's time to make sure you have all your spare parts in stock, ready for the holiday period. Please take the time to check your stock of parts, including V belts, claw bowls, anodes in hot water services, and if you have a rotary, please check your drive and idler wheels. And for those with steel rollers, please make sure they are lubricated and in good working order. Please let us know ASAP if you find anything that requires immediate attention. As usual, we'll have technicians available, and on call for any emergency work required during the Christmas / New Year period.

Thanks to our customers!

We would like to take this opportunity to thank all of our loyal customers for your continued support during 2024. It is very much appreciated, and we look forward to working with you again next year! Also, a final reminder that the combined Westfalia Warragul / Yarragon Rural Store customer Christmas party is booked for Thursday 12th Dec, starting at 6.30pm. We'll be providing a BBQ & light refreshments, so we'd love to see you there. Please RSVP by 10th December if you wish to attend.

Take care everyone!

Best regards, Mark

FOR SALE

GEA De Max 55 cup removers from

\$650 + GST Each

(Some still available)
